Createspace, United States, 2014. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.At a young age, we are introduced to the power of makeup. Used in the right way, makeup can transform pale eyelashes into alluring, flirty fringe . or create a sensual pout on otherwise thin lips . or create a glowing look for cheeks that are less-than vibrant. In the beginning, we use just a touch of lip gloss and a hint of eye color. But with experience, we become more experimental and play with bold colors on our eyes and get adventurous with wild nail polish. It s one of the many joys of being a girl and getting to play with pretty and playful colors. As we age, of course, we tend to tone down the shades we use and want a more youthful look. While many women turn to expensive skin creams and surgical enhancements, those who care for their skin well can actually use makeup to create a younger-looking complexion. With a few tips and tricks and the right products and tools, you can master the skills needed to use makeup as a temporary fountain of youth. In 21 Forever with Makeup, we included many insider secrets that makeup artists know will make their clients look years younger, like properly exfoliating your skin and which type of cleanser will work best. From BB creams to concealers to highlighting and contouring, applying makeup is about much more than simply adding some color to your lips, eyes and cheeks. With these tips techniques, you can actually reduce the look of fine lines, make your cheekbones look higher, shrink a wide nose, shape your eyebrows to best frame your face and boost the volume of both your...
