Reviews

It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. It's been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

FAITH AND FRENZY: SHORT STORIES FROM KASHMIR

Times Group Books, New Delhi, India, 2012. Softcover. Book Condition: New. First Edition. Faith & Frenzy is a collection of stories that bring to the reader the intimate details of forgotten kashmiris of all hues, caught in he quagmire of terror and murky politics, and weighed down by the historical burden of long confrontation between India and Pakistan. Their stories have remained untold, submerged as they remain under layers of shady rhetoric and politics of deceit. These are stories of reconciliation and reaffirmation of religious diversity and of how thousand of kashmiris , mostly pandits, were forced in to exodus from the valley to the plains of India- their lives before and after the exodus and their identity crisis. Printed Pages: 260.
