Because: - You have an insatiable desire for smoking and want to quit the nasty habit. - You want to have better youthful appearances and unstained teeth and nails. - You want to save extra money in your pocket that is going towards cigarettes. - You want your families and friends to avoid the danger of secondhand smoke. - You want to improve your overall health and lower risk of cancers and diseases. Over 42 million people smoke cigarettes in the US alone, despite numerous pieces of irrefutable evidence indicating that the practice is one that leads to an empty wallet-and a shorter life. Contrary to the common belief that these individuals are unintelligent, oblivious, or both, most smokers understand how bad smoking is for one's long-term health and well-being-they just find it difficult to quit. You have most likely seen advertisements for medications and other chemical resources to help smokers quit. While good-hearted, these solutions...
