

## Financial Accounting, Reporting, and Analysis (Paperback)

By Jennifer Maynard

Oxford University Press, United Kingdom, 2013. Paperback. Book Condition: New. 244 x 190 mm. Language: English . Brand New Book. Are you looking for a fresh, engaging, decision-usefulness approach to financial reporting that encourages students to develop their interpretative skills? In this brand new intermediate level financial accounting and reporting textbook, a how, why, what approach is interwoven in each chapter. From chapter one, students understand how financial information is prepared and presented, why it is prepared and presented in this way, and what the resulting financial information means for users. Designed for students going to the next stage beyond their introductory financial accounting training, the textbook equips students with all the key tools they will require when they enter professional practice. Reflective of current International Financial Reporting Standards (IFRS) and International Accounting Standards (IAS), this textbook delivers concise, clear explanations of all the key issues in accounting standards that students need to know. Content maps to professional accounting body syllabi, making this the perfect choice for accounting courses which offer exemptions. Chapters are jam-packed with 3 types of examples to enhance understanding: - Illustrative examples of how to account for particular transactions and items and example statements; - Worked...
