The workshop, which included four symposium presentations, four discussion sections, and presentations of undersea research facilities by NOAA s Office of Undersea Research, was sponsored by the Division of Ecology of the ASZ. The four symposium talks and discussion sections addressed the topics of growth and life history patterns, recruitment, community organization, and community metabolism in coral reef systems. The workshop was unusually well attended (attendance in the Ecology Division of the ASZ was 30 higher than in previous years and two additional contributed paper sessions in the Division of Ecology were devoted specifically to coral reef ecology), and vigorous group discussions continued well into the night. The objective of the workshop was to focus attention on what we do and...

Reviews

It in one of my personal favorite publication. It is actually rally fascinating throgh reading through period of time. Its been printed in an extremely basic way in fact it is just after i finished reading through this ebook by which basically transformed me, change the way in my opinion.
