Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Practical Suggestions for Mother and Housewife What a tribute to the worth of woman are the names by which she is enshrined in common speech! What tender associations halo the names of wife, mother, sister and daughter! It must never be forgotten that the dearest, most sacred of these names, are, in origin, connected with the dignity of service. In early speech the wife, or wife-man (woman) was the weaver, whose care it was to clothe the family, as it was the husband s duty to feed it, or to provide the materials of sustenance. The mother or matron was named from the most tender and sacred of human functions, the nursing of the babe; the daughter from her original duty, in the pastoral age, of milking the cows. The lady was so-called from the social obligations entailed on the prosperous woman, of loaf-giving, or dispensing charity to the less fortunate.
