Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Upward Footsteps The Pharisees had searched the Scriptures diligently. Their knowledge of the letter of the Law, and of the Prophets, was irreproachable. Under the prophets, it must be remembered, they included the historical books of the Old Testament as well as what we are accustomed to describe as the purely prophetic writings, differentiating them as the earlier and the later prophets, so that their knowledge was historical as well as ceremonial. More than this, they dwelt with scrupulous care on the figurative interpretation of the text. This comes out with remarkable clearness in the phrase and the rest of the acts, which recurs persistently in the historical books of the Old Testament.
