Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

PELLA

Cambridge Library Collection. Paperback. Book Condition: new. BRAND NEW, Pella, Gottlieb Schumacher, Gottlieb Schumacher (1857-1925) was an American-born German civil engineer, architect and archaeologist who was influential in the early archaeological explorations of Palestine. His parents were members of the Temple Association, a Protestant group who emigrated to Haifa in 1869. After studying engineering in Stuttgart between 1876 and 1881, Schumacher returned to Haifa and soon assumed a leading role in surveying and construction in the region. This volume contains the results of the first detailed survey of the ancient city of Pella, conducted by Schumacher for the Palestine Exploration Fund, and published by the Fund in 1888. During the Roman era Pella was one of the cities of the Decapolis, a group of Hellenistic cities which were centres of Greek and Roman culture. Schumacher describes the site of Pella, its extant structures and its surrounding ruins as they appeared at the time of publication.
