Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Modernism in Italy: Its Origin, Its Incentive, Its Leaders, and Its Aims Modernism is the name applied to a movement that has played many parts, and on widely-separated stages. Certainly it is not a movement that is peculiar to the century in which it formulated and issued its challenge. It is not a movement that is peculiar to Italy. Nor yet is it a movement that is peculiar to the Church of Rome. At the same time, in the sense in which the designation is usually employed to-day, it represents not only a distinctively Catholic movement, but possibly also a great turning-point in the history of a faith that has exercised age-long and world-wide sway. It is proverbially difficult, when describing an agitation which comprises a long series of occurrences (some incidental, some contrived, but all tending towards a common end), to accord full weight - and yet no undue amount of weight - to each circumstance that has exercised an influence of really commanding importance. Various factors in the situation, admittedly of genuine moment, tend to rise into a quite unwarranted prominence in the historian's mind. It may be that the factors in question obtrude themselves so persistently that they hide the presence of others which likewise contributed their quota to the results ultimately obtained. Or it may be that these factors make insidious appeal to the historian's personal bias, and thus his sounder judgment is unconsciously deflected and overborne. The task is never an easy one; but unquestionably it becomes doubly difficult when one has to describe a crisis that is still in process of evolution, and especially if it is...
