## PYTHON IN EASY STEPS: IN EASY STEPS (PAPERBACK)

In Easy Steps Limited, United Kingdom, 2013. Paperback. Book Condition: New. 236 x 188 mm. Language: English . Brand New Book. This essential In Easy Steps guide instructs you how to program in the powerful Python language, giving complete examples that illustrate each aspect with colourized source code. In the step-by-step trusted formula, you ll be a Python guru in no time! Python in easy steps begins by explaining how to install the free Python interpreter so you can quickly begin to create your own executable programs by copying the book s examples. It demonstrates all the Python language basics before moving on to provide examples of Object Oriented Programming (OOP) and CGI scripting to handle web form data. This book concludes by demonstrating how you can use your acquired knowledge to create and deploy graphical windowed applications. Python in easy steps makes no assumption you have previous knowledge of any programming language so it s ideal for the newcomer to computer programming. It has an easy-to-follow style that will appeal to programmers moving from another programming language, to the student who is studying Python programming at school or college, and to those seeking a career in computing who need a fundamental understanding of computer programming. Python is the language used to program the Raspberry Pi - covered by Raspberry Pi in easy steps.
