Professional Publishing, United States, 2008. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.H. L. Whitlock takes you on a journey from his early childhood in Atlanta, Georgia, through his adult life today on the west coast. This story is most unique because as the author tells his history, he weaves in a historical glimpse of the social settings, behaviors, and attitudes of people during the era he writes about. Your mind is transported backwards in time, and you are made to feel that you are truly experiencing life in the South. The author takes you into the real world of Dr. King, and you will learn about all his works. You will see how Dr. King's life and his thoughts impacted the world then and now-he is dead, but yet he lives in the hearts of men and women of every race, creed, and color. The author's faith and belief in God are manifested throughout the pages of this book. He believes that we can all live together in peace. He quote, Most importantly, never harbor revenge. Remember, revenge does not foster a pristine image; rather, it clones the characteristics of evil, which in the end, leads to damnation.
