Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Lissi Linares is a pastor s daughter whose love for others contrasts with her fear of eternal damnation. Little Jasmine Jazzy Moon Luna is determined to save Jesus from being crucified. Naida Cervantes hides a brutal secret behind shapeless, florid dresses. Hermana Gracie tries to set her son up with a good Christian girlfriend, only to make a surprising discovery. Zeke wants a new guitar and Ben wants a cool girlfriend, but what they find as migrant workers in Arkansas changes their desires. These individuals and others try to negotiate the often rocky intersection of faith and culture in seven independent but intertwining tales that explore life in an evangelical Christian, Mexican-American community. Frank, funny and heart-breakingly real, this volume explores themes of identity, culture, religion and sexuality in the context of a little-known subset of Hispanic culture.
