Silver Boomer Books, United States, 2008. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Freckles to Wrinkles brings you the wit and wisdom of generations. Its sister anthology, Silver Boomers - a collection of prose and poetry by and about baby boomers, spotlighted the growing up of the Baby Boomer generation. Freckles to Wrinkles widens the circle to embrace the span of memories from budding childhood to ripest age. Meet the paperboy of the past tossing square-folded newspapers toward porches, and the high school team player wearing the wrong size football shoes. Consider a mother s hands, recall the face of your best friend in grade school, listen in on a party-line phone conversation. Splash in summer puddles and into a chilly winter creek. Travel these pages with the human spirit that is ever fresh from the first freckles to the last wrinkles. This volume by Silver Boomer Books continues the tradition of the Crawl Line and the Quartet s cyber-editing challenges.
