When three friends - Paul, John and Leigh - clicked buy on an iconic London cab, little did they know what they were letting themselves in for. Leaving the Big Smoke in their taxi bound for Sydney, the lads began a 43,000-mile trip that would take them off the beaten track to some of the most dangerous and deadly places on earth. By the time they arrived home, they would manage against all the odds to circumnavigate the globe and break two world records. From altercations with the Iranian secret police to narrowly escaping the Taliban, the trio's adventure is filled with hair-raising escapades.
