

Where's the Money?: The Cycle of Poverty and Why the Majority Can't Be Rich (Paperback)

Filesize: 3.23 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Travelling to very poor countries allows noticing that the majority of the locals tend to look at foreigners as a walking ATM machine that guarantees their monthly income and food in the table on a daily basis. On the opposite spectrum of this constant need, we have those that have fallen in love with money and went bankrupt, having their pride and anger reversed against their nature. Many Europeans and North Americans, whose self-image is based on pride, either regarding their nation, job or reputation, don t just suffer now from lack of money, but also depression and lack of purposes in life. They ve rooted themselves in the lowest spiritual spectrum and, when money s gone, become empty vessels. A truly spiritual individual, on the other hand, won t focus on material outcomes but rather emotional. That s the difference between those travelling now to South America for a better lifestyle and the ones looking for their next fortune in China. It s interesting as well to notice that usually the poor don t use internet to gain information on how to create a business or acquire knowledge that can improve their lifestyle, even though they often have email accounts. Undervaluing information seems to be the common attitude of the poor, while emigration serves different purposes, depending on the primordial mindset. Within the current interexchange of human resources throughout the world, we can notice that the poor see only one source of income and that s tourism, so they focus on gaining money on the only way they know, and that s by copying what they see. As a conclusion we could say that knowledge opens the...
