In an unknown land stands an ancient, grandiose library holding secrets behind its sealed doors. One day the unexpected sound of its long-silent Golden Gong begins a season of change for those deeply connected with the library. Soe is a teen who has been selected, against her will, to become the last-chance candidate to succeed the Chief Librarian, master of the mysterious library and governor of its surrounding town. The two former candidates for this position, her boyfriend and her twin brother, have disappeared without a trace, adding to her doubts and mistrust of the Chief Librarian. Follow Soe's story as she enters the Spiral Library and experiences extraordinary things such as driving a chariot pulled by fire horses and drinking dangerous potions administered by a 200-year-old, attractive young manhealer. Soe makes deals with a beautiful, venomous, half-female-half-plant creature, shifts her own shape while escaping an enchanted forest, and explores the true meaning of love. While secretly searching for her boyfriend and twin brother, Soe must undergo twelve nights and days of fierce, zodiac-like trials that test her core values and strengths. Her adventuresome spirit takes her on a wild ride, magnetizing her curiosity, dare-devil spontaneity, keen reasoning skills, and pulling her into scenes that bring out the best and worst in her. For her final 12th-night trial, Soe prepares to meet her biggest enemy. There are painful setbacks, revelations of her true self, journeys into alternate worlds/realities and all of this hidden in the most unusual library one could ever imagine. The Spiral Library is a page-turning thriller full of non-stop action. Hidden within the story's plot are spiritual truths and natural wisdom that mirror questions such...
