[...] The Jesuits adopted a more liberal spirit and method. They established and controlled a large number of universities and schools, and made them the great channels of the movement of the counter-Reformation. Their educational activity gained for them a great reputation for teaching and a large patronage. In 1710, they had 612 colleges, 157 normal schools, 24 universities and 200 missions. They were inspired not so much by the value they placed on culture for its own sake, as to promote the authority of the old religion and prevent heresy.[.].
