Brand New Book ***** Print on Demand *****.Read this Joseph Quattrini book on your PC, Mac, smart phone, tablet or digital device or in paperback. If you need to learn the trading business from the ground up then How to Trade Futures Stocks and Forex without Indicators is definitely a good starting point for you. I encourage you to read it as many times as it takes for it to become clear to you as to what you do and do not need to learn to be successful in this business from the start. There are no money back guarantees in the financial markets and you must know the right information from the start to have a chance of becoming consistently profitable and financially successful. Most brand new traders spend many many hours looking for that magical combination of indicators that will reveal the Holy grail of winning trading strategies. They should instead be spending their time on learning what makes the market actually work which is supply and demand. This short book tells you how to invest and trade right from the beginning of your career without the use of any indicators and tells you why you don t need them. The professional advice I give you in this book will empower you to have confidence and zero fear of going in the live markets and accurately initiating a low risk high reward position with which you can have a high probability outcome from being a live market participant and do it while not using any indicators on your trading charts. Becoming a successful self-directed investor and trader is not nearly as difficult as one would think as long as they...
