The Childerbridge Mystery. . . The son of a hardworking country doctor, it had fallen to his lot to emigrate to Australia at the early age of sixteen. He had not a friend in that vast, but sparsely-populated, land, and was without influence of any sort to help him forward. When, therefore, in fifty years time, he found himself worth upwards of half-a-million pounds sterling, he was able to tell himself that he owed his good fortune not only to his own industry, but also to his shrewd business capabilities. . A widower with a grown son and daughter, William Standerton, this self-made man, places his Australian holdings in the hands of carefully selected managers and, taking his children with him, returns to England to try his hand at genteel country living. Deciding that Childerbridge Manor will suit his needs, he settles into the estate despite local lore which holds it to be haunted. But once the family takes up residence, the trouble starts. The ghost - or ghosts - seem to be both real and unfriendly, and a menacing secret has followed him from Australia, along with the villainous man who holds the key to that secret. William Standerton will meet his fate in Childerbridge Manor, and an unexpected twist or two will lie along the path to solving the mystery of his death and uncovering the dark secret of...
