Reviews

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. One major element of the energy debate is whether to approve energy development in the Arctic National Wildlife Refuge (ANWR) in northeastern Alaska, and if so, under what conditions, or whether to continue to prohibit development to protect the areas biological, recreational, and subsistence values. ANWR is rich in fauna, flora, and commercial oil potential. Its development has been debated for over 40 years, but sharp increases in gasoline and natural gas prices from late 2000 to early 2001, terrorist attacks, further increases in 2004-2006, and infrastructure damage from hurricanes have intensified the debate. Few onshore U. S. areas stir as much industry interest as the northern area of ANWR. At the same time, few areas are considered more worthy of protection in the eyes of conservation and some Native groups. Current law forbids oil and gas leasing in the Refuge. This item ships from La Vergne, TN. Paperback.
