Hard rock band Schadenfreude is finally on the verge of the success that s eluded them for the last several years. With Aaron McClure as their new lead singer, nothing s going to stop them.except maybe a steamy, secret relationship between Aaron and bassist Bastian Koehler. Aaron knows all too well what can happen when band members get involved with each other. After all, his last band was a casualty of his last relationship, and Schadenfreude forbids band members from dating for that very reason. But Bastian is too hot to resist, and besides, it s just sex, so what s the harm? Bastian has just gotten out of a long relationship with his volatile ex-fiancee when Aaron catches his eye. The sexy singer is irresistible, and in spite of the potential for strife within the band if this comes out, Bastian can t help himself. Their passion in the bedroom is rivaled only by their ambition as musicians, though, and pretty soon, it s going to tear them, and Schadenfreude apart, if they can t get back to playing with the band.
