Completelynovel, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Freedom from Bosses Forever is a book every lover of satire will enjoy, even if they are not interested in starting and running their own business. The business tips that appear throughout the book are real and global entrepreneur and owner of WinWeb, Stefan Topfer has called it: The funniest hard-hitting business book, that is absolutely full of business truth . The Kindle book and the paperback version of Freedom from Bosses Forever are both improved and updated versions of the award winning Stripping for Freedom . Freedom from Bosses Forever also contains bonus features. Some of these are just for fun but for those that have escaped, or wish to escape the rat race, there are links to the author s favourite, and free, enterprise support websites.
