Michael Brein Inc, United States, 2009. Sheet map, folded. Book Condition: New. 226 x 119 mm. Language: English . Brand New Book. Michael Brein's Guide to London by the Underground shows travelers how to go to London's top 50 visitor attractions by the London Underground (subway, Tube), and some rail. The guide shows which transit to use, which lines to take, which stops to board and exit, and, using about 30 detailed mini-area-walking maps, shows exactly how to walk from these stops right to the visitor attractions. Additional nearby points of interest are also indicated on these mini-maps. An ultra-large (very easy to read) official map of the London Underground is also provided. The London guide is concise, compact, and comprehensive and fits in your pocket (leave the bulky books back in the hotel room!). n n.
