Flora Hibernica: Comprising the Flowering Plants Ferns Characeae Musci Hepaticae Lichenes and Algae of Ireland, Arranged According to the Natural System with a Synopsis of the Genera, According to the Linnaean System (Classic)

By James Townsend MacKay

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Flora Hibernica: Comprising the Flowering Plants Ferns Characeae Musci Hepaticae Lichenes and Algae of Ireland, Arranged According to the Natural System With a Synopsis of the Genera, According to the Linnaean System It has been matter of complaint that the history of the natural productions of Ireland has hitherto been neglected; but when all circumstances are considered, it will appear that the censure is one of too great severity. We have no means of ascertaining to what extent a knowledge of plants was possessed in ancient times by the Celtic inhabitants of the country; but when we are told that the Irish language is rich in names of plants, and also that the names of the letters of the Irish alphabet are taken from vegetable productions, it will be admitted, that, even in periods of remote antiquity, the study of plants was not altogether neglected: nor is this at all surprising, since it is well known that the surface of Ireland formerly presented a very different aspect with regard to vegetation than its present features...

Reviews

This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.

-- **Garrett Adams**

This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).
