### Reviews

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

As punishment, Mistress told me that I was going to get 10 hard spankings that day. She also invited her friends over to punish me and take me if they so chose. Later Mistress would come back home to eat lunch and give me another spanking. Later still, after she came back from work, the...
