Mining and Metallurgical Society of America Vol. XIV, No. 6 August 31, 1921 Bull. 149 REPORT OF COMMITTEE ON VOCATIONAL OR OCCUPATIONAL TRAINING FOR METAL MINERS LETTER OF TRANSMITTAL. The Committee on Vocational or Occupational Training for Metal Miners, consisting of Chas. A. Mitke (Chairman). Stanly A. Easton and B. F. Tillson, was originally appointed by the Mining and Metallurgical Society of America in the spring of 1919, to investigate the subject indicated by its title, with the ultimate object in view of preparing a series of courses dealing with subjects necessary for the education of employees, in order to fit the practical man for the job. Considerable time and thought was first given to a study of the systems at present in use in large mining camps and factories in the United States and elsewhere in order to become thoroughly familiar both with the...

Reviews

This sort of publication is every thing and helped me seeking ahead of time plus more. I am quite late in start reading this one, but better then never. I found out this pdf from my dad and i recommended this pdf to learn.

-- Alex Jenkins

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

-- Dr. Ron Kovacek
