Seven Stories Press, U.S., United States, 2013. Paperback. Book Condition: New. 188 x 152 mm. Language: English. Brand New Book. From the winner of the 2012 Robert F. Kennedy Journalism Award, a character-driven tale about our threatened environment and the practicality of putting contemporary revolutionary strategy into action. In *The Minimum Security Chronicles*, the latest long-form narrative from Robert F. Kennedy Journalism Award-winning cartoonist Stephanie McMillan, lifelong friends Kranti and Bananabelle are rounded up during a protest and locked in a pen by a faraway railroad track. After their escape, when trying to gain proof of their capture, Kranti discovers the future site of a nuclear power plant. After attempting to shut it down, she learns of an even more ecologically dangerous enterprise: a massive geo-engineering project scheduled to begin in a matter of weeks. And so begins the tale of a group of friends--among them an apolitical computer programmer, an aspiring musician who joins the Occupy movement, a lovestruck community gardener, a militant bunny and a guinea pig theorist--who try to halt the plans of evil corporate overlords bent on destroying the earth for profit.
