This duo expends energy chasing idealistic dreams, only to encounter disillusionment. Innovative Holly craves unattainable goals and entices her husband with an offer-unaware that insurmountable personal problems and dreaded failure will result. Spectacular glimpses of majestic creation offer clues, but hopelessness steals the contentment they feel entitled to. As the once-storybook romance sours, their promising relationship disintegrates. When Adam suffers life-threatening injuries, desperation brings them face to face with the Creator. Holly discovers answers that satisfy and shares a dramatic change of heart with receptive family and friends. Finally at peace, the Clark family miraculously finds joy and meaning they never knew possible.
