Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Living and Succeeding with Dyslexia is the first of a series of books about life challenges that many of you experience. My life challenges, at least the major ones, are that I am Dyslexic, I was overweight and bullied at school and then I finally got pregnant and within two months miscarried our only child. This book is the story of how I have overcome these major life events and have become a successful artist, author, entrepreneur, educator and philanthropist. As a dyslexic child and teenager in the 1960 s I didn t have much help, in fact Dyslexia wasn t even talked about when I was at school. The biggest impact on me during this period was the fact that teachers actually told me that I wouldn t amount to anything because I couldn t read or write English! Those type of comments stay with a person and form their belief system. Even now educational systems do not take into account the special needs of dyslexic children and parents are not given the knowledge or tools to help. This book s main goal is to give hope to parents of dyslexic children; they can succeed with the right mentors. I am living proof and I am not finished yet. As a young teenager at middle school I was severely bullied. Bullied to the extent that I cried and hid in the gymnasium instead of going to class. The situation was finally reported to my parents and the school did their best to resolve the issue and live went on. But the same thing happens with bullying.your brain is told one thing for so long that...
