An indigenous people on a young planet are accidentally invaded by a deep space research team of aliens. And their lives are forever changed. The ancient god-father is displaced, then returns and effects great changes for the now nomadic peoples of his descent. He attempts to aid, but almost destroys them with his love, and then he dies despondantly deep in space. The mystery of his death is solved in the discovery of the Silver Sarcophagus five thousand years later. The ancient beacon is triggered. And these ancient children of the Clear Being await his return. Science-fiction Horror w/Biblical elements. This book seems to be the Atheist test: everyone that starts it gets angry for some reason, even when they claim that they are open-minded atheists. This book is a story of a possibility of the origins of the bible stories, where divine intervention is really ancient extraterrestrial intervention. This simple story carries...
