Ediciones Octaedro, S.L., 2006. soft. Book Condition: New. La estética en las escuelas infantiles de Reggio y en el pensamiento pedagógico de Malaguzzi es, a la vez, el elemento más impactante de su pedagogía y su talón de Aquiles. Después de visitar las escuelas infantiles de Reggio, puede que haya personas que piensen que, poniendo unas transparencias en las ventanas de una escuela, se está haciendo realidad la pedagogía de Reggio; otras que se sientan tan abrumadas por la belleza del ambiente de las escuelas infantiles de Reggio, que consideren su pedagogía inalcanzable en otro contexto; también es posible encontrar a quién piense que se hace una pedagogía puramente de imagen, de escaparate. El libro de Alfonso Hoyuelos es un elemento clave para deconstruir de manera rigurosa estas posibles lecturas sobre la realidad reggiana. El autor, en este volumen, desgrana el fondo y la significación de la estética en el pensamiento pedagógico de Malaguzzi y en la vida cotidiana de las escuelas infantiles.
