If you've tried to discipline your teen to no avail, you may feel emotionally exhausted. But you also know that the consequences of not taking action now could greatly affect their future. For parents who are at their wits end, clinical psychologist and expert in treating children with behavior issues Patrick M. Duffy presents Parenting your Delinquent, Defiant, or Out-of-Control Teen. This book utilizes effective strategies such as functional family therapy, multidimensional treatment foster care and multisystemic therapy, and is designed for use by parents whose teens are on the verge of (or have already gotten) in trouble in school or with the law.
