Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Practical Phonetics and Phonology: A Resource Book for Students (3rd Revised edition), Beverley S. Collins, Inger M. Mees, Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings-all in the same volume. The innovative and flexible 'two-dimensional' structure is built around four sections-introduction, development, exploration and extension-which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. Revised and updated throughout, this third edition of Practical Phonetics and Phonology: * presents the essentials of the subject and their day-to-day applications in an engaging and accessible manner * covers all the core concepts of speech science, such as the phoneme, syllable structure, production of speech, vowel and consonant possibilities, glottal settings, stress, rhythm, intonation and the surprises of connected speech * incorporates classic readings from key names in the discipline including David Abercrombie, David Crystal, Dennis Fry, Daniel Jones, Peter Ladefoged, Peter Trudgill and John Wells * includes an audio CD containing a collection of samples provided by genuine speakers of 25 accent varieties from Britain, Ireland, the USA, Canada, Australia, New Zealand, South Africa, India, Singapore and West Africa * gives outlines of the sound systems of six key languages from around the world * contains over a hundred activity exercises, many accompanied by audio material * is accompanied by a brand new companion website featuring additional guidance, audio files, keys to activities in the book, further exercises and activities, and extra practice in phonemic transcription New features of this edition include an additional reading...
