

Some Aspects of the Tariff Question, Vol. 12 (Classic Reprint) (Paperback)

By Frank William Taussig

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some Aspects of the Tariff Question, Vol. 12 The main purpose of the present volume is to consider and illustrate some questions of principle in the controversy on free trade and protection. The three chapters which constitute Part I state these questions and summarize the main conclusions. The succeeding Parts give illustrations and verifications drawn from the history of several industries, - sugar, iron and steel, and textiles. Something is thereby done, I trust, to make more precise and complete the theory of the subject, and to vivify it through illustrations from experience; and some contribution is offered also on the general economic history of the United States. The inquiries whose results are here given have extended over more than a quarter of a century, and I have utilized in this book portions of various papers published at intervals during the period. In the Quarterly Journal of Economics for April, 1889, I printed an article on Some Aspects of the Tariff Question which contained the germ of much that is now more fully elaborated. It...
