Sunflower Books. Paperback. Book Condition: new. BRAND NEW, Zakynthos: Complete Guide with Walks (4th), Gail Schofield, This guidebook is an ideal companion for motorists who want to tour Zakynthos by car, as well as those planning a holiday walking in Zakynthos. The book combines the best features of Sunflower's 'Landscapes' walking and car touring guides with all the detail you would expect in a hefty general guide. ----- Coverage includes: getting there and getting about; recommended accommodation and restaurants; practicalities A-Z; history; 22 main walks with many variations, all with both hand-drawn and GPS-compatible maps; fold-out GPS-compatible island map; copious notes on geology, flora and fauna (all illustrated).----- Although this is a general guide to the island, there is special emphasis on the countryside and the National Marine Park (where the author works for the protection of sea turtles), about which there is copious information. Even non-walkers will appreciate the walking sections: while the walk descriptions themselves are brief, each walk is followed by two facing pages focussing on the island's geology, habitats, agriculture, flora and wildlife - all illustrated.- ----- 4 car tours (with accompanying area maps); 22 walks, each with several variations and charmingly 'mapped out' with the author's own 3D drawings and showing GPS waypoints; 50 pages of nature notes (all illustrated), 2 GPS-compatible touring/walking maps covering the whole island; plan of Zakynthos Town; downloadable GPS waypoints and intermediate coordinates. Free online update service with specific route change information on the publisher's website, maintained daily.----- I searched everywhere. On the Internet, in libraries, in every bookstore that I could find, but although I found a lot of general guides on the Greek islands, they could only provide a small description of [Zakynthos] and all the common tourist attractions - water park, navaggio, carreta turtles, etc. Having the...
