A passage of diverse heroics and distant perseverance in quest of the Golden Fleece is with configured narrative in the Argonautica recounted. Jason and the Argonauts, sailing from Iolcos on the Argo, pass into the Euxine, or Black Sea, on their voyage to Colchis at the eastern end of the sea. F L Light s translation re-embodies the motive energy of metric Apollonius in this epic of golden probation in endurance and dispatch. Comments on F L Light s translation of the Iliad: It is always gratifying, it elevates the human spirit to see one our fellows.set his aim unbelievably high and incredibly hit the mark! David Madgalene, bilingual author of I Hear A Journeyman Singing and many other books of verse. Light has blended very well the traditions of Shakespeare, Homer, and the English language sonnet, without erring on the side of pretense. The language is high, direct, and modern. I m thrilled with these. Zachary Bos, editor of Sixty Six: a journal of sonnet studies. With a classical, controlled touch, F L Light pursues perfection in metrical form, whilst freely and deftly using resources from earlier phases of the language - something which many modern poets are afraid to do. This work succeeds in sharing with us some of the epic power of The Iliad, which is all too easily lost in translation. Joseph Biddulph, publisher and author of divers books on languages.
